

General Transfer Criteria between Colleges:

- 1) Students should complete the foundation program before being transferred.
- 2) Transfer between majors takes place within the college itself.
- 3) After all college transfer criteria are met, there will be a further ability test before acceptance in Physical Education, Art Education, and Music and Musical Science.
- 4) Students should pass English level 6 or its equivalent if they plan to transfer to any English-medium and bilingual program.
- 5) A student who wishes to transfer to a program should satisfy the FP courses that are pre-requisites for the degree courses of the program.
- 6) Students must consider the remaining duration of study at SQU when applying for transfer and should not exceed the maximum allowable duration (refer to the academic regulations).
- 7) Students are only permitted to select one transfer choice.
- 8) Students are allowed to transfer once only.
- 9) Approval for transfer depends on the number of available seats in the college. Students will not be transferred if seats are unavailable even if they have fulfilled all transfer requirements.

Important notes:

1. After transfer, only credits that are equivalent to the student's new degree plan will be counted. Other credit hours may not be taken into account and that may lead to a delay in graduation of one or more semesters. Students should bear in mind that conflicts in their timetable may arise due to transfer and that they will be responsible for dealing with them.
2. Transfer to the College of Medicine and Health Sciences is not allowed for scholarship students and staff children.

Transfer Criteria between Colleges

Transfer to the college	Minimum cGPA	Required courses before transfer	Required grades	Minimum credits
Medicine & Health Sciences	3.50	Two courses from: (1) BIOL2101 (2) PHYS2101 (3) CHEM2101	Minimum "B" grade in both the required courses without repeating	14 credits each semester
Education	3.50	-----	-----	14 credits
Nursing	3.30	Two courses from: (1) BIOL2101 (2) PHYS2101 (3) CHEM2101	Minimum "B" grade in both the required courses without repeating	14 credits each semester
Engineering	3.00	Students should complete the following two courses: a) PHYS2107 or its substitute PHYS2101 b) MATH2107	Minimum "C+" grade in the required courses without repeating	14 credits each semester
Commerce & Economics	2.50	-----		14 credits
Law	2.00	-----	-----	14 credits
Agricultural & Marine Sciences	2.00	Two courses from: (1) BIOL2101 (2) PHYS2101 (3)CHEM2101	Minimum "C" grade in both the required courses	14 credits
Arts & Social Sciences	2.30	---	-----	14 credits
Science	2.00	Two courses from: (1) PHYS2101 or its substitute PHYS2107 (2) CHEM2101 (3) BIOL2101 (4) ERSC2101 (5) MATH2107 (6) COMP2101 (7) STAT1001 or the substitute courses (STAT1811 & STAT2812)	Minimum "C+" grade in both the required courses	14 credits
