

Respected sir,

Narayanasamy krishnasamy, Indian passport holder number:- F4114274 and his brother Balasubramanian krishnasamy running NADAN engineering consultancy at Sufala, Ibra branch, since 1998 is not an engineer. Both of them are having duplicate certificate as engineering graduate. Narayanasamy is having duplicate certificate that he studied in Madurai Kamaraj University in the year 1978. But I verified with controller of university. Controller verified and confirmed that there is no candidate named Narayanasamy studied in the university in 1978. Balasubramanian krishnasamy is also not an engineer. He is having duplicate certificate that he studied in MADRAS University in the year 1984. But originally he did his diploma during the year 1984 in Government Polytechnic College, Konam, Kanyakumari District, Tamilnadu, India. I know it well. Please verify the certificate of Balasubramanian and Narayanasamy and take necessary action for cheating the OMAN Government. For verification of certificate please contact Indian Government Address A.Chandramohan, Under Secretary, To Government, Public(TOII)Department, Secretariat, Chennai, Tamilnadu, India. With copy of certificate and a letter. (OR) Directly to university address, The Controller of Examinations, Madurai Kamaraj University, Palkalai Nagar, Madurai, Tamilnadu, India. with copy of certificate For verification Narayanasamy certificate. And for verification of Balasubramanian certificate directly to university address, The Controller Of Examinations, Madras University, Chennai, Tamilnadu, India, with copy of certificate and letter. All the above information given by me is 100% true.
